

Official Passport Instructions

Note: IAW DoS policy, all members must have a valid travel location requiring an official or diplomatic passport and/or visa with approved travel dates to initiate the application process. Both must be listed on the DS-11 or DS-82.

To initiate the official passport application process, please visit the DoS Online Wizard at <https://pptform.state.gov/>

Follow the guided instructions to determine your need for a DS-11 (passport initial application for members who have never owned a US Passport of any kind or a passport issued more than 15 years ago) or DS-82 (passport renewal application for members w/a current US passport, of any type, or a passport issued less than 15 years ago). The Wizard's questionnaire will make the determination for you.

Once complete, click "submit" to close the form. This won't send your form to the DoS but will allow you to proceed w/printing the document **(two single-sided pages)**.

Form notes:

Mailing address must be **HQ ACC/AMIC, 300 Exploration Way, Suite 430, Hampton VA 23666**; **permanent address** will be that of your **home residence**.

Make certain to complete the "Travel Plans" portion of the application using the country/dates listed on your authorization document.

Submit a [DSS Admin Help Desk](#) once all required items are completed to receive an appt to have your photo taken (you must wear a collared shirt/blouse and remove eyewear/headgear) and hand-deliver your materials.

Items to hand carry to DSSA:

- Printed application (Do not sign DS-11, Initial Application)
- Original birth certificate for DS-11 (Initial); current tourist or expiring/expired official passport book for DS-82 (Renewal)
- 3 separate color copies of driver's license or CAC, front and back, on the front side of 3 separate sheets of paper

Please contact Mr. Craig Smalls at craig.smalls.1@us.af.mil/DSN 574-9589 w/any questions.
